

## Tsunami Evacuation Procedure

### 1. If you feel an earthquake - protect yourself

- Don't panic!
- Drop, cover and hold!

### 2. After an earthquake, be aware that a tsunami may follow

- Move away from the beach immediately as a precaution measure!
- Look for more information through TV and Radio!

### 3. After a strong and prolonged earthquake, evacuate immediately!

- Don't wait for an official warning, leave the **RED ZONE** immediately if possible or look for shelter in higher buildings
- If you are around Pratama Street, look for shelter in one of the hotels with higher floors
- As a visitor in a hotel, please follow the instructions of hotel staff

### 4. The sound of the siren is the official call for evacuation

- If the siren sounds, follow the evacuation procedure as indicated above (No. 3)!

Be aware that the siren may not be heard in all areas.

**After the first tsunami wave, more waves are likely to come!**

**Wait for an official "All Clear" message before leaving shelter**

\*Please note that BTDC has its own procedure

## Prosedur Evakuasi Tsunami

### 1. Jika merasakan gempa bumi - lindungi diri anda

- Jangan panik
- Merunduk, berlindung dan berpegangan

### 2. Setelah gempa bumi, sadari bahwa tsunami mungkin terjadi

- Segera tinggalkan daerah pantai sebagai langkah pencegahan awal
- Carilah informasi lebih lanjut melalui TV dan Radio

### 3. Setelah gempa bumi yang kuat dan lama, Segera Evakuasi!

- Jangan menunggu peringatan resmi, segera tinggalkan **ZONA MERAH** jika memungkinkan atau mencari tempat berlindung yang lebih tinggi
- Jika anda berada di sekitar Jln. Pratama, segera berlindung di bangunan bertingkat 3/lebih
- Jika anda pengunjung, ikuti arahan dari karyawan hotel

### 4. Bunyi sirene adalah panggilan resmi evakuasi

- Jika sirene berbunyi, ikuti prosedur evakuasi seperti diatas (No. 3)!

Sadari bahwa mungkin bunyi sirene tidak terdengar di semua area.

**Setelah gelombang pertama datang, gelombang yang lain mungkin akan menyusul.**

**Tunggu pemberitahuan resmi "Tsunami telah berakhir" sebelum meninggalkan tempat perlindungan**

\*Catatan: Ada prosedur khusus di area BTDC
